Thank you Joanna.

I noticed there were still a couple of wells which we don't have info on the pump depths. Do we have info on pump depths for HW11, HW13, and HW18?

Thanks,

Joanna could you or someone at the site please add the missing well depths to the attached spreadsheet and get back to Suddha as quick as you are able.

thanks

Rupert

Rupert,

Attached is a spreadsheet containing information on well depths and related pump depths. Is there someone at the Dimock CP who can find the missing information?

Thanks,
